

## Amphenol RF Product Change Notification (PCN)

**PCN Number:** 031726

**Issue Date:** 03/17/2026

**To:** Amphenol RF Authorized Distributors

**From:** Amphenol RF

**Subject:** Notification of Manufacturing Location / Country of Origin Change

Dear Valued Customer:

We are writing to inform you of an immediate change to the manufacturing location of products that your company is authorized to distribute. The affected products are listed in the excel attachment sent with this notification. The change details are as follows:

**Change Details:**

Manufacturing Location / Country of Origin: From China (CN) to Vietnam (VN)

**Reason for Change:**

As part of our continuous efforts to enhance our manufacturing operations and supply chain efficiency, we have decided to relocate the production of the above-listed products from China to our new facility in Vietnam.

**Impact on Product:**

Please note that this change will not affect the form, fit, function, quality, or reliability of the products. All specifications, materials, and processes will remain consistent with those previously approved.

**Effective Date:**

This change will be effective immediately for all new orders and may affect existing open orders as well. We anticipate a smooth transition with no disruption to the supply of these products.

**Action Required:**

Please update your records to reflect the new country of origin for the affected products. If you have any questions or concerns, please do not hesitate to contact your account manager or our customer service team.

Thank you for your continued partnership and support. We look forward to serving you with the same high-quality products from our new facility in Vietnam.

Best regards,

Mike Comer  
Director of Business Development and Product Marketing  
Amphenol RF
